W

elcome to the Nordic Family Days 2020!

The Catholic Bishops of Scandinavia invite Catholic families from all five countries to a great gathering at Haugetun Boarding School, Norway with the theme **Love in the Family—Strength for the Church**

Parents, children, teens, grandparents—small and big families alike—are all welcome to four days of inspiring talks, workshops, prayer and good sharings about the joys and challenges of family life in the light of our Catholic faith. Our Bishops will be there to encourage and guide us.

Haugetun folkehøyskole is situated in the countryside half way (ca. 8 km) between Fredrikstad and Sarpsborg. The school facilities include a large living/dining room, a small chapel, a huge gym with a stage, a cinema, arts and crafts room, sports room, a lovely outdoor area, a sand volleyball field and other nice facilities. The Fredrikstadmarka—a wood with beautiful paths is close by, and Seierstad school lets us use their play ground.
